**RE: *Application of Cumberland Cellular Partnership for Issuance of a Certificate of Public Convenience and Necessity to Construct a Cell Site (Alligator) in Rural Service Area #5 (Russell) of the Commonwealth of Kentucky - Case No. 2006-00052***

Dear Ms. O'Donnell:

The purpose of this letter is to respond to the letters of the following three (3) individuals, each of whom filed letters of concern regarding the placement of a temporary cellular tower ("Cell on Wheels" or "COW") by Cumberland Cellular Partnership ("Cumberland Cellular").

1. Rodney Ratliff - letter dated May 25, 2006
2. James F. Abbott - letter dated June 5, 2006
3. Carlie Bowmer - letter dated June 6, 2006

Cumberland Cellular's application for a certificate of public convenience and necessity to construct a permanent cellular tower is currently pending before the Kentucky Public Service Commission (the "Commission").

The location and use of the cell on wheels, or COW, is temporary. As soon as Cumberland Cellular's application for its permanent cellular tower is approved, Cumberland Cellular will immediately begin construction. Once this construction is complete, and the tower is operating, Cumberland Cellular will then remove the cell on wheels or COW, expeditiously.
